

WELCOME

TO CONTINUOUS-DELIVERY-SLIDES

VERSION: 201911291812-8CC9168

Slide 1

Realised using [reveal.js](#).

Write your slides in [GitHub-flavored markdown](#).

Hotkeys

- S show Speaker Notes t
- ? show all Hotkeys
- Esc show slide overview ("grid")
- Cursors: Navigation (on slides "grid")
- Space next slide

Bellow (separated by three empty lines)

Emojis                            

Font Awesome:

 twitter.com/cloudogu  github.com/cloudogu

To the right (separated by - - -)

Syntax highlighting

```
String hello = "world";
```

Quotes:

A container image is a lightweight, stand-alone, executable package of a piece of software that includes everything needed to run it: code, runtime, system tools, system libraries, settings.

Separate files are placed to the right

Don't forget to add the markdown to `index.html`!

Images

Image via Markdown

The images are floating right and left of this text via css

Font
